

Welcome to SLATE

NOW OPEN TO THE PUBLIC - SATURDAYS 12-5 pm

For your health and safety, please:

- Face-coverings are required to enter.
- Limit visitors to 5 people at a time. If there are already several people in the gallery when you arrive, we encourage you to look at the art in the hall or nearby exhibition venues until SLATE opens up.
- Do not crowd visitors from other parties.
- Feel free to use hand-sanitizer provided as you enter and exit.
- If you would like to sign-up for our mailing list or be contacted in the event that a COVID-19 case is identified at this location in the next few weeks, please sign the book at the entry using pens from the “sanitized” box and discard in the “used” box.
- Enjoy the art! It is well-documented that art is good for your health.

We are committed to:

- Having doors propped open during public hours.
- Keeping fans on to ventilate the space.
- Wearing face-coverings while visitors are present.
