

# We're bringing SLATE Art to Wine Country

---

We understand it is challenging to get out, we're all trying to stay close to home these days. SLATE Art would like to help you liven up your home offices and living spaces. It's a great time to update your home with new works of art, especially after the holiday decorations come down.

To make this process simpler, we are offering to bring a van full of art from SLATE contemporary gallery in Oakland to your home. During a *one-hour complimentary private appointment*, we will bring work from our mobile gallery into your home, to view in situ.

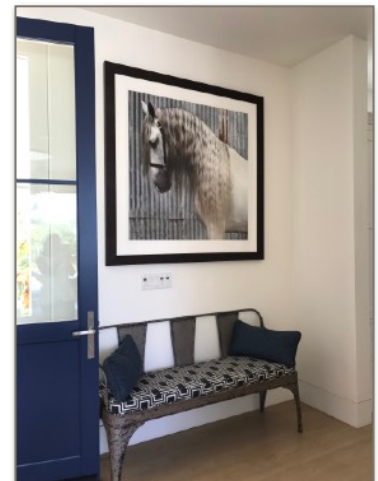

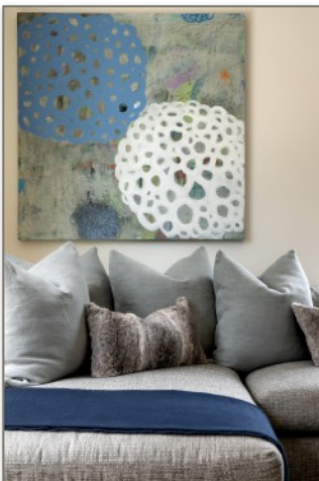

We are currently scheduling appointments as follows:

Napa and surrounding communities Appointments offered at:	Thursday, January 28 11:00 1:00 3:00 5:00 7:00
Sonoma and surrounding communities Appointments offered at:	Friday, January 29 9:00 11:00 1:00 3:00 5:00
Western Sonoma and Marin Appointments offered at:	Saturday, January 30 Timing dependent on location

Appointments can be booked though [robin@slateart.net](mailto:robin@slateart.net)

We're planning to bring a van full of artwork by our best-selling artists, but we are more than happy to accommodate your requests. If you see something else you would like to us to bring on [slateart.net/artists](http://slateart.net/artists), please let us know!

If you'd like a Zoom or FaceTime appointment, we can accommodate you virtually.  
Questions and requests: [robin@slateart.net](mailto:robin@slateart.net)

If you are not in wine country, but would be interested in participating in a similar event on the Peninsula, Marin, San Francisco, or Lake Tahoe, please do let us know, and we will keep you informed as opportunities arise in the future.
